SUSTAINABILITY IS THE NEW RESPONSIBILITY

In the village of Koskenkorva, we're forerunners of circular economy. Our distillery runs mostly on bioenergy, we use our barley fully, even its husks and stalk, and recycle 99,9% of everything. Some call this sustainability. For us it's a way of life. (And yes we're working on that last 0,1%.) Drink sustainably. See the big picture: www.koskenkorva.com
